D. C. Council Accepts Sidewalk Bid

Special Investigators May Be Secured In Grand Jury "Law Enforcement" Drive

Probability that special investigators may be secured to investigate gambling, prostitution and law enforcement conditions in the county; open cooperation with the jury of the Citizen's Service League of the Ravenswood district of East Palo Alto and the Redwood City Ministerial association; plenty of fireworks between the jury and Sheriff James J. McGrath; a statement by Superior Court Judge A. R. Cotton that "There is nothing political about the 1945 grand jury"—these were major events as the county grand jury swung into its second week of investigation of purported gambling, prostitution and lax law enforcement in the county.

The fireworks between the jury and McGrath developed during a stormy one-hour session Friday night, July 20, when the sheriff and police officials of all San Mateo county municipalities were called before the jury.

Just before the session, McGrath issued a five page statement to the Redwood City press in which he:

1. Gave his department credit for uncriticized handling of "serious offenses."
2. Declared there is no prostitution in the county.
3. Declared he was "powerless to act" without cooperation from persons who have personal knowledge of gambling facts because "I am not permitted to take the law into my own hands."
4. Called upon grand jurors to act in securing complaints and testimony against persons arrested.
5. Asked persons proclaiming "rampant gambling" in the county to place their information in complaints.
6. Charged his accusers with "grooming a candidate for the coming election" and injuring him politically "in the minds of the voters."
7. Asked the press, the grand

Chevrolet Truck Is Recovered By Local Policemen

The error on the part of a teen age San Francisco lad of driving through the stop sign at Mission street and Hillcrest drive Tuesday evening July 24, at 5:45 led to his apprehension and recovery of a Chevrolet truck belonging to Swift and Co.

When local officers stopped him for driving through the stop sign, the boy told them he was waiting for a street car at the "top of the hill" when a man gave him a dollar to drive the truck to Onondaga and Mission streets.

Learning the truck had been reported as stolen by the San Francisco police department, local officers turned the lad over to that department. The truck was released to Avery M. Peavey of 871 Grand avenue, South San Francisco.

Charge Violation In Quarry Site Lease

Charging violation of a quarry site lease in Visitacion Valley and requesting damages for removal of top soil from adjacent land suitable for building purposes, Ratterlee Bros. Co., of San Francisco recently filed suit in Redwood City against Louis Mazzera.

The complaint requests audit of Mazzera's books, possession of the property and $12,000 damages for removal of the top soil.

OPA Board Office To Close Evenings

Beginning July 30, 1945, the local board of Office of Price Administration at 470 Grand avenue, South San Francisco, will be open to the public from 10 a. m. daily except Saturday when it will close at 12 noon. The office will no longer be open to the public in the evening.

Dogs Bite Two Children In D. C.

Two Daly City children were bitten by dogs during the past week.

Ernest Hansen jr., ten year old son of Mr. and Mrs. Ernest Hansen sr., of 76 Woodrow street, was bitten on the lip by a dog owned by the Artesoras family of 16 Woodrow street, Friday afternoon, July 20.

Monday afternoon, July 23, Judy Lee Brown, five year old child living at the 9 Partridge lane home of Mrs. M. Cromer, was bitten on the left index finger by the family dog while playing in the basement of the home.

Both children were treated at Alemany hospital, the hospital notifying the local police. The Daly City poundman was notified and picked up the two dogs.

Thieves Steal Cash Register In Daylight Robbery

Daylight theft of a cash register from the Associated Oil Station at School and Mission streets, Saturday afternoon, July 21, and loss of two new tires and two new tubes by the Shell Oil Station, a block south, sometime Thursday night, July 19, are giving the Sherlock Holmes of the local police a chance to demonstrate their ability as Hawkshaws.

Called to the Associated Oil Station at about four o'clock Saturday afternoon, Sergeant Ricco Benedetti and Officer Henry Sundermann jr. were told by the attendant, F. Haight, that while he was in the rear of the station, someone had entered the station and stolen the Burroughs cash register. As nearly as he could estimate the time, the theft occurred at 3:50 p. m. The register contained about $50, and gas stamps for about 80 gallons of gas.

Investigation by officers disclosed that a man was seen burying the cash register in the vacant lot next to the Empire Advertising Co. building on Mission street shortly after the incident.

Mrs. Crowson, a sales lady in the Colma Five and Ten Cent store reported a girl ran into the store and told her a man had just buried something in the lot. She said she investigated but could find nothing suspicious. Mrs. Weusterfeld of 131 Bruno avenue told officers she also saw the man and gave them a good description of him. Police unearthed the register sans cash and gas stamps.

Sergeant Benedetti was called to the Shell Oil Station at Vale and Mission streets, Friday morning, July 20, at 9:25, by the proprietor Anthony Di Benedetti, who reported that two new tires and two new tubes had been taken from the station the night before. Entry was made by breaking a clasp on the front door.

Automobile Stolen About Midnight, Sat.

An automobile belonging to Walter Klemme of 22 Rio Verde street, San Francisco, was stolen from in front of the Globe Tavern, Market and Mission streets, just before midnight Saturday, July 21.

In reporting his loss to local police, Klemme said he had left his keys in the car, and had gone into the tavern for a few minutes. When he came out the car was gone. Local police broadcast the loss over the police radio.

Thirty-six Men To Be Inducted On July 30 By Local Board

The local draft board this week announced two calls for August, both on the 29th. One call will be for 12 men for general military service. The other will call three men for limited service including requalified 4F's and job jumpers.

On July 30, as previously announced, 36 men will be called for induction for general military service.

This Friday, July 27, 48 men are to report for physical examinations.

Youths Break Into Grocery---End Up In County Home

Three teen age youngsters of the County Line neighborhood west of San Jose avenue, were in the county juvenile home this week as a result of their attempting to pick up some loose change and satisfy their desire for sweet stuffs by breaking into a local grocery last week while the owner was out of the city on vacation.

Friday night, July 20, Officers George Hopman and Roy Beecher were summoned by a phone call to the Shakespeare Grocery, Shakespeare and Rhine streets. They found someone had broken the glass in the door leading from Rhine street into a hallway next to the grocery and leading to the apartment above, and after reaching in and turning the inside latch of this door, had entered the grocery proper through an inside door which was open.

Owner of the grocery, Giuseppe "Joe" Giraudo and his family who live in the apartment above the store, were on vacation in Lake county at the time.

The officers immediately contacted John Giraudo, brother of the owner, who temporarily repaired the broken glass, then through the efforts of a neighbor, Mrs. Bell of 114 Shakespeare street, succeeded in notifying the owner.

Giraudo returned home Saturday and found that a small amount of money including a ten dollar bill, in addition to some loose change, as well as a quantity of candy bars and cakes had been taken.

Satisfied the robbery was the work of some of the neighborhood's erring "small fry" and acting on a tip furnished by the owner, local police rounded up the three youngsters and took them to the county juvenile home.

Issue Permits For New Business Buildings Here

Building permits for two new business buildings in Daly City, construction on one of which has been going on for some time, have recently been issued by Building Inspector A. J. Bodien.

A. R. Haskins of 6995 Mission street, owner of the property at the southwest corner of Mission and Bepler streets has been issued a permit to erect a building to house three stores with three apartments above. Haskins and a crew of men have been at work at this spot for some time, razing the old single story building which formerly occupied that corner and erecting the new building.

The second permit has been issued to Rubber Products Co. of 5822 Mission street, San Francisco for construction of an L shaped, concrete building at the southeast corner of Mission and Evergreen streets. Plans for this building call for a service and gas station at the corner of Evergreen and Mission, and a display room adjoining it on Mission street. The entire building will occupy four lots, with construction to be started as soon as possible.

Fay Improvement Co. Submits Lowest Estimate For City Improvements

Acceptance of the bid of Fay Improvement Co. of San Francisco of $12,865.86 for improvement of sidewalks, curbs and gutters along Hillside boulevard was the major event of Monday night's council meeting.

One other bid was received for this work, that of W. G. Ebright of Burlingame for $14,920. After City Engineer Klassen reported to council the bid of Fay Improvement Co. was lower than his estimate of $13,392.50 for the work, council unanimously voted to accept the bid. At the same time a cashier's check of $1500 posted with his bid, was returned to Mr. Ebright, who was present at the meeting.

Work to be done will be the grading and paving of Hillside boulevard from Bismark street to the Mission street intersection with an armor coat surface, removal of present pavement, curb and gutter and replacement of same with concrete pavements, curbs and gutters, installation of storm sewers, manholes and catch basins as needed, and construction of a special storm water overflow structure.

The meeting was called to order by Mayor A. J. Gaggero at 8:15 p. m. and roll call showed all councilmen present as well as City Attorney Hoffmann, City Engineer Klassen and City Clerk Ross.

Minutes of the July 9th meeting were read and unanimously approved.

A communication from Pacific Telephone and Telegraph company requesting permission to place underground conduits at the intersection of Citrus and San Diego avenues and for approximately 40 feet along San Diego was read and the permission granted by a unanimous vote. The telephone company requested permission to place these conduits in order to more effectively serve the telephone users of this area.

A communication from the Pacific Gas and Electric Co. informing council that 100 watt street light had been installed in the overhead fixture at the intersection of Junipero Serra boulevard

Private A. Gallegos Is Reported Wounded

The Army casualty list during the past week included the name of Private First Class Albert R. Gallegos of Colma wounded in action in the Pacific theatre of war.

Officers Find Local Woman In Dying Condition

Responding to a call from Joseph Mirabella of 6000 Mission street, Frida night, July 20, at 10:45, Chief William P. Bolger and Officers George Hopman and Roy Beecher of the local police department found Mrs. Elizabeth Mirabella in a dying condition.

The officers attempted to secure a doctor, also summoned the local ambulance. Dr. Milton Klein, of San Francisco, arrived just as the ambulance did, and pronounced Mrs. Mirabella dead.

She is survived by her husband, one son, Joseph Doyle of the United States Navy, three brothers, John, Chester and Carl Klydes and two sisters, Mrs. Mae Toretta and Mrs. Florence Byrnes.

Funeral services were held Tuesday, July 24, at 9:30 a. m. from the W. C. Lasswell & company funeral parlors, 6154 Mission street, with a requiem mass for the repose of her soul celebrated at Our Lady of Perpetual Help church. Burial was at Holy Cross cemetery.

Army Car Taken By Young Sailor

While two soldiers from Camp Daly City were getting coffee at a local restaurant at 1:30 a. m. Saturday morning, July 21, the one and a half ton truck, used by members of the camp as a bus, disappeared from the corner of Mission and Crocker streets, where it had been parked.

While the soldiers were reporting the loss to local police, a noncommissioned officer from the camp toured the city looking for the truck and located it being driven south on El Camino Real outside the city limits by an 18 year old sailor from Hunter's Point.

The sailor was brought to the local station, and was reprimanded and turned loose, when the soldiers requested he not be held, saying they could square things with commanding officers.

Firemen Want Good Turnout for August 29 Meeting

Not having a complete official list of all organizations in the city, members of the Daly City fire department are depending upon notification of the meeting to be held at the City Hall, Wednesday, August 29 at 8 p. m. for the purpose of discussing plans for building a War Memorial here.

Consequently they are again urging all organizations in the city, regardless of whether they are fraternal, social, political, business, or of any other character, to appoint two representatives each to attend this meeting.

As soon as these organizations appoint their committees they are asked to send names of the members and names of organizations they are to represent to A. J. Bodien at city hall.

Three Children Reported Lost Are Found By Police

Three tiny tots, who wandered too far from home and got lost, were restored to their parents through efforts of local police during the past week.

Sunday afternoon, July 22 at 3:15, Mr. Soderburg of 70 Goethe street phoned the department that there was a little girl at his place, who was lost. Upon investigation, the officers found the lost child was two year old Diana Arteseros of 16 Woodrow street. They notified the mother, Mrs. R. Arteseros, and warned her to keep a closer eye on the little girl after this.

At 4:10 p. m. the same afternoon, Frank Buonocora of 840 Brunswick street brought a two year old girl to the station, saying he had found her wandering around in the 800 block of Brunswick street. Five minutes later, Mrs. A. E. Engleman of 57 Whittier street, mother of the child arrived at the station, seeking trace of her.

Nickie Bouwers, three year old son of Mrs. Glory Bouwers, 3 West Cavour street, was reported as lost by his mother in a phone call to the department Tuesday, July 24, at 4:55 p. m. When Officer Roy Beecher went to the home in response to the call, Mrs. Bouwers told him the boy had been missing since 11:30 a. m.

Local police notified KGPX and KGPD, the San Francisco police radio stations, and the boy was returned home that evening.

Potsdam and Peace

What the Big Three do at Potsdam will undoubtedly have greater effect on future peace than all the work done at the San Francisco Conference.

This does not mean that the San Francisco meeting was other than vitally important. But the men who gathered there were primarily political architects who drew up the plans for a permanent world peace.

Truman, Churchill and Stalin are builders rather than architects. They must lay the actual foundation on which the peace structure can be built. But before they can even begin that task they must clear away much of the political rubble now strewn about Europe. They must reach some sort of agreement on many problems, any one of which if not settled or improved could undo the progress achieved at San Francisco.

They must decide on a definite, unified policy for Germany so that they can work together there rather than at cross purposes. They must take steps to prevent starvation in Europe this winter. They must prepare for a general peace conference—if such a conference is to be held.

Besides all these are the explosive problems of the Balkans, the Middle East and Italy. There is also the matter of Russian participation in the war against Japan.

Of one thing we can be sure, that President Truman will insist that agreements reached be stated in unmistable terms so that no confusion such as resulted from Yalta's vague understandings will occur again.

No group of men ever faced greater problems or graver responsibilities. For the sake of humanity they must work together. They must give and take but without departing from the basic principles of justice and fairness.

By so doing their meeting will succeed, and the world's prayerful hope for an enduring peace will approach nearer to reality.

GI's Joe

In the melancholy land of Germany lonesome GI's who battled through a Nazi hell, and lived, know him. The men who fight foot by foot and cave by cave through the green hell of the Pacific know him well. They know him in the romotest outposts of China, India and Burma. They knew him, too, in North Africa and Italy.

He was born Joe E. Brown 54 years ago this week—July 28, 1891. "Joe E." began to earn a living as an acrobat when he was nine years old. Though paid only $6.50 a month he had two assets that were bound to win over an unremarkable beginning—a sense of humor and a most remarkable mouth.

Joe E. Brown would be the last to seek recognition for his sacrifices toward winning the war. Yet, he best represents the hundreds of men and women who have given of their talents without stint, and frequently, like Joe, without pay, and who have often voluntarily stood in great danger to bring a few happy hours to the men who went away.

As a tribute to the millions of America's fighting men and to the son he lost—a former captain of the air forces—Joe E. carries his laughter to the opposite ends of the earth. General McArthur has said that no other person has contributed so much in maintaining the morale of the service man as the GI's Joe.

He has visited all the military posts and every hospital in the Southwest Pacific. He has performed in every small forward outpost he could possibly reach. To him and to the hundreds of fine people he represents we pay tribute.

When you next give to the California War Chest which helps to provide entertainment for our boys out there, remember the man with the expansive mouth and the most expansive heart, and then give more.

And to Joe E. Brown on July 28, we say, "Happy birthday, Joe!"

General Chennault

Whether Major General Claire Lee Chennault quit his China command because he wanted to come home or because he was "shoved around by Army brass hats," as has been charged, is not clear. But whatever the reason, America's armed forces have lost one of their most colorful officers. His exploits will long be remembered not only by the grateful Chinese but also by all who admire daring and adventurous men. While America was feeding the Japanese with all the oil and scrap iron needed to massacre the Chinese, General Chennault and his band of intrepid airmen were daily risking their lives to help defend the hapless victims of Jap aggression. Though they never had more than a comparative handful of planes to use—and many of these were old and well-battered—the famous Flying Tigers shot down hundreds of enemy aircraft long before Pearl Harbor.

War Memorial Building Now In "Spotlight" For Public Discussion

By Ted Shipley

Last week, the Daly City Fire department took the "bull by the horns" by inviting local organizations to appoint committees to meet with department members in a "city meeting" at the City Hall, Wednesday, August 29 to discuss the proposition of a war memorial for this city.

This week, we're going to help the fire laddies to "hang on" by coming out in print with our ideas of such a memorial and where it should be located.

Before going any further, we want to say, these are only our personal opinions, and while we have found some people who agree with them in most respects, they are purely our opinions and do not necessarily reflect those of the Record or any other member of its staff.

And we want to say also, that if finally we get overruled, it will not make us the least bit mad or even "miffed." We feel that each one of those committees that meet with the firemen August 29, should go to that meeting prepared to quote majority opinion of their particular organizations, on the two most important factors of the proposed memorial—kind of memorial and its location.

First of all, we are in favor of the city raising an additional $75,000 and adding it to the $75,000 already allocated by the county planning commission to build a memorial that is really worthwhile—one that not only will be a handsome tribute to our heroes who have been and are still fighting and dying that the cause of freedom may survive, but will serve a real community need.

Daly City definitely needs a community hall—one that can be used for city-wide meetings, for dances like the annual firemen's ball, and for meetings and entertainment such as the teen-age groups etc. Also for basketball games, boxing and wrestling programs of a public nature, or of such a nature that they cannot be held at the Jefferson Union High School gym.

Several years ago, our home town in Ohio, a city approximately the size of Daly City, erected a one story and basement building, a combination National Guard armory and city community center through the combined efforts of the Ohio National Guard and the people of the city.

This was used as a drill hall by the city's National Guard company, for basketball games and tournaments, boxing and wrestling matches, community meetings and dances etc. Public affairs other than National Guard doings, where there was an admission charge, paid a rental for use of the hall. More than enough was realized to pay all expenses.

The basement was converted into a number of smaller rooms for dressing rooms, officers' quarters, meeting places of smaller groups etc.

That is the type of building we envision as Daly City's War Memorial building.

Its location—now that's another matter. We suggest the east end of Marchbanks park, the oval shaped triangle at the junction of North and South Parkview. This property is already owned by the city, being a part of Marchbanks park, donated to the city for just such purposes as this several years ago by J. W. Marchbanks.

There are several reasons behind our suggestion. First—future growth of Daly City will be to the south and west. As it is, Marchbanks park now is equi-distant from all sections of Daly City except the extreme northeast corner of the Crocker tract.

Second—We vision a community center at that park. A children's playground, another very badly needed item here, could later be installed between the War Memorial building and the baseball park. When and if this is constructed it would naturally be under the control of a Daly City Recreation commission as would the Marchbanks park baseball diamond. This commission could use one of the smaller rooms in the basement of the War Memorial building for its office.

Third—And most important in many ways—even $150,000 will not erect too large a Memorial building. So, why spend any part of it towards a site for the building, when the city already has one in its possession?

At least two other sites have been suggested for the proposed Memorial. One is the site of the old Vista Grande school between Mission street and Santa Barbara avenue, north of and adjacent to number 3 firehouse. This property is now owned by the Jefferson Union grammar school district.

Another site suggested is the old Daly City Quarry property east of the Mission street-Hillside boulevard intersection. This property is privately owned, has the added disadvantage of being tucked away in an out-of-the-way corner, not too easily accessible to parts of the city.

These are our suggestions—if you do or don't like them, don't hesitate to say so. A public discussion of this matter will not only get interest aroused in this worthwhile matter, but will serve as a guide for action by persons in charge of building such a memorial.

Brother of Local Man Dies In San Francisco

Peter Dormoy's brother Joseph A. Dormoy passed away Friday, July 20 in San Francisco after a long illness.

He was the husband of Louisa Dormoy of San Francisco, father of Joseph Dormoy of San Carlos and Adell Williams of Berkeley, brother of Peter Dormoy, 40 Mission circle, Daly City, Jennie Charvet of France and Alice Dormoy of San Francisco, grandfather of Barbara and James Williams and George Joseph Dormoy.

Funeral services were held Saturday, July 21, from the mortuary of James H. Reilly and company, 29th and Dolores streets, San Francisco. Requiem high mass was celebrated at St. Peters church, followed by interment at Holy Cross cemetery.

Three Accidents Result In Arrest Of Two Drivers

Three automobile accidents were reported in Daly City during the past week, none resulting in injuries to parties involved, but in two cases police either arrested or cited one driver involved.

Responding to a phone call from Mrs. Vasey of 217 Templeton avenue, that a car had crashed into a parked car in front of her home at 10:45 p. m. Sunday, July 22, Officers George Hopman and Roy Beecher found that a Dodge sedan driven by Gordon B. Catron of 527 London street had struck a parked military Chevrolet coupe, damaging the Dodge's right front fender and bumper. Catron did not stop, according to witnesses, but continued on to 55 Templeton avenue.

When he would give no information about the accident, Catron was arrested by the officers, charged with hit and run driving. At 12:15 p. m. the next day he furnished $100 cash bail in Judge Sweeney's court and was released to appear in that court Friday, August 3 at 2:30 p. m.

At five p. m. Saturday July 21, Dr. W. W. Bowman of 1407 Silliman street, San Francisco driving a Dodge sedan east on Hillcrest drive collided with a Dodge pickup truck driven by Joseph Swan of 174 Brunswick street. Investigation by police showed that Dr. Bowman's car was three feet over the center line of the street when the accident occurred and that it had left skid marks for 15 feet. He was cited for reckless driving. Left front fenders of both cars were damaged in the accident.

Cars driven by Pete Signorotti of Greenfield Calif., and John Newton of 22 F street, Colma were involved in an accident Friday July 20, at 6:05 p. m. at intersection of First avenue and Castle street. There was only slight property damage.

Richard Edmonds Dies In Sacramento

By Ted Shipley

Announcement of the untimely death of Richard J. "Dick" Edmonds 31 year old sports editor of the Sacramento, Calif. Union Friday night of last week, came as a great shock to his many friends in San Mateo county and Daly City, who remember the great fight he made early in 1944 to save the Sacramento Pacific Coast League franchise for that city, after it had been dumped by the St. Louis Cardinals.

In January and February last year, Edmonds canvassed the business houses of Sacramento door-to-door and succeeded in raising $40,000, which he took to the Board of Directors meeting of the Coast League where he secured a two year franchise for the capital city, after everybody but "Dick" had given up hopes that this franchise could be retained, and kept it from being moved to Tacoma, Wash.

Dick's death came as the result of a five-week illness from virus pneumonia. Funeral services were held in Sacramento Tuesday and interment was in Masonic Lawn cemetery, across the street from Doubleday park, home of the Sacramento baseball club.

The only son of Supervisor and Mrs. Henry W. Edmonds of Redwood City, Dick graduated from Sequoia High school, where he starred in soccer and boxing and managed the "Supers" baseball team. He attended San Jose State college, was sports editor of the San Jose State's paper, the Spartan, and while there worked with this writer as a member of the San Jose Mercury-Herald's sports staff.

Later, he worked on newspapers in Madera, Colusa, Pittsburg and Napa before joining the staff of the Sacramento Union. He leaves besides his parents, his wife, Verna, and a six year old son, Philip Jordan.

The wholehearted sympathy of this writer and a host of Daly City friends go out to the family in their bereavement. Dick was a fine boy and one of the most colorful and best liked sports writers of the entire Pacific Coast league.

Samuel Arata Dies In San Mateo

A resdence of the community for the past 16 years Samuel Arata, Colma, died in San Mateo, Tuesday, July 17. He was a carpenter by trade.

He was the father of Stanley, Thomas, Rita, and Louise Arata; brother of Andrew Arata, Oakland; and Jacob Arata, of Italy.

The funeral took place July 23 at 9 a. m. at the W. C. Lasswell mortuary, followed by a requiem mass for the repose of his soul at Holy Angels church, Colma at 9:30 a. m.

Interment followed at Holy Cross cemetery.

President Truman Proclaims Aug. 1 "Air Force Day"

President Harry S. Truman has set aside August 1 as Air Force Day in the United States, by a public proclamation issued Monday of this week, and stated that in so far as war activities and training permitted every Army Air Force installation in the United States would celebrate the 38th birthday of the AAF that day. Overseas installations would join in the celebration wherever possible.

Thirty-eight years ago, the Army Signal Corps issued an order creating a division of aeronautics to study the flying machine and the possibility of adapting it to military purposes. That division started in 1907 with one captain and two enlisted men. Army air forces now comprise more than 2,300,000 officers and men.

President Truman's proclamation said "Army airmen have demonstrated throughout the world the ability of air power to spearhead the attacks of our armed forces against our enemies and have materially contributed to the successful completion of the war in Europe."

The proclamation also called on civilian aircraft workers "to maintain steadfastly their brilliant record of supplying our army air forces with the weapons they must have to speed our final victory in this war."

Memorial Mass To Be Held At La Honda, Aug. 12

Annual military memorial mass for California's war dead will be held at La Honda Sunday, August 12, the sponsoring committee announced this week.

Dress battalions of the San Francisco and San Mateo units of the California State Guard will serve as escorts during the service.

Judge Leo A. Cunningham of San Francisco heads the sponsoring committee which includes many prominent civic leaders in both San Francisco and San Mateo counties.

Catholic Ladies Planning Whist

The monthly whist given by the Catholic Ladies Branch No. 59 will be held Wednesday, August 1 at 2 o'clock sharp in St. Michael parish, 32 Broad street.

County Tax Rate To Be Upped 18c Over Last Year's

San Mateo county's basic tax rate per $100 valuation will be upped approximately 18 cents over that of last year, and will reach the highest point in the history of the county, County Controller Fred E. Beer said Tuesday. This year's tentative rate was fixed by Beer at $1.485. The 1944 rate was $1.3298.

Although tentative at present, it is expected the proposed rate will be adopted by the county board of supervisors next month. The increase, Beer pointed out, is caused by salary raises, postwar planning and other county costs.

It will be necessary to raise an additional $370,452 from taxation in order to provide for the county's all-time high budget of $4,090,836.78 adopted recently by the supervisors. The 1944-45 budget was $3,463,321.72.

The 18 cent increase, Beer said, applies only to the basic county tax rate. All special district, school and other taxes will probably be considerably higher.

Anticipated revenue (exclusive of taxes but including balances) for the present fiscal year is up approximately $210,000 over the 1943-44 total of $1,706,311.81, Beer said.

Elmer Paul Carr Passes Away

Those present to help Judy celebrate were Ronnie and Jimmie Williams; Shirley Ann Rentsch, Beverly Ann and Sharon Lee Hogan; Ronnie Lynch, Bobbie Clarke, Dick Hopman, Bill Hopman, Joan Hopman, and Mesdames Ted Hopman, Clark Williams, Walter Rentsch, F. J. McKeown, Hal Moral, Bob Ewen.

Dr. Gans Issues Warning About Unsanitary Pools

Dr. Charles C. Gans, director of the San Mateo County department of public health and welfare has issued a warning asking cooperation of swimmers and bathers in maintaining sanitary swimming pools throughout the county.

In his warning, Dr. Gans said colds and skin infections are easily transmitted in swimming pools, and asked persons suffering from these diseases not to enter these pools.

"Swimming pool water constitutes a medium by which certain organisms may be transferred directly from one bather to another and is always a potential agency of transmission for organisms that can survive in water," he said.

Stating that his department is responsible for the sanitary condition of all swimming pools in the county, Dr. Gans asked that swimmers report any infractions of rules to his office.

NEWS OF OUR MEN and WOMEN IN UNIFORM

S/Sgt. Archibald W. Kidd, 25, of 167 Sadowa street, Ocean View, recently was awarded the Bronze Star Medal for heroic achievement in action on the Fifth Army front during the recently concluded Italian campaign.

S/Sgt. Kidd continuously delivered mail, rations and administrative material to his company under enemy fire and over roads under direct German observation, his citation said. He was once forced to stop in midstream to repair his truck while an enemy artillery barrage was falling all around him.

With the 12th Armored Division, Seventh Army, Germany — Pfc. Robert L. Drish, son of Mr. and Mrs. William R. Drish, 56 Goethe street, Daly City is a member of Company "A" of the 134th Ordnance Maintenance Battalion which was recently awarded the Star of the Meritorious Service Unit Plaque by direction of the President.

His battalion, which is commanded by Lt. Col. Paul H. Wood, of Lancaster, O., was awarded the Star for the period from December 1, 1944 to May 31, 1945 and was the first unit in the 12th Armored Division to receive such an award. The 134th was also the first unit in the 12th to be given the Plaque. Maj. Gen. Roderick R. Allen, of Palestine, Texas, commands the 12th.

According to the citation accompanying the award, it was made "for superior performance of duty and outstanding efficiency of operation in supporting the 12th Armored Division during the campaign in Eastern France and Western Germany."

Asserting that the "supreme test of the battalion came on March 18 when the division joined the Third Army and plunged into the Saar Region, and continued until May 5 when the division ended its campaign in Central Europe with all enemy resistance at an end," the citation states that "in all of this operation the battalion rendered such continuous and aggressive support that the division could make maximum progress and its combat mission was materially enhanced. In order to expedite the evacuation of disabled equipment, Division Ordnance Collecting Points were established at locations central to quantities of material requiring higher echelon of repair. A statistical section was attached to the forward Ordnance CP which accurately recorded and confirmed reported battle losses, shortage of equipment and the daily status of the maintenance load in each company."

The citation also states concerning this period that "the necessary independent operation of the Ordnance companies was efficiently performed through splendid planning by company commanders, the maintaining of constant liaison with combat commands and a superior state of discipline among all personnel."

15th AAF in Italy—S/Sgt. Neil L.Pezzola, 22, son of Mr. and Mrs. Louis Pezzola, 156 Miriam street, Daly City, an ordnance section chief with the 454th Liberator Bombardment Group, will return soon to the United States, according to an announcement from Brig. Gen. Fay R. Upthegrove, of Olean, N. Y.

The veteran group, which will receive additional training and equipment before embarkation for the Pacific theatre of war, has been serving with the 15th AAF in Italy for the past 18 months. During this time, the 454th has flown 243 missions against strategic targets in German-held Europe, contributing to the German downfall by the bombing of Ploesti, Vienna, Steyr, Munich, and numerous other targets whose loss crippled Nazi resources, supplies, and communications. For one such mission, the bombing of Linz, Austria, in July, 1944, the group received the Distinguished Unit citation.

Under the command of Col. John A. Way, of Prague, Okla., members of the 454th group have won an impressive array of awards, including one Distinguished Service Cross, two Legion of Merit medals, 18 Silver Stars, and over 485 Distinguished Flying Crosses. They have flown over 7,000 sorties, destroying more than 300 enemy aircraft and dropping over 13,000 tons of bombs during the strategic, tactical, and morale bombings that German military leaders have labeled as the cause of Germany's defeat.

After returning to the United States, the 454th heavy bombardment group looks forward to carrying its devastating bomb-loads against the third, and last, enemy of freee nations. In the words of the group commander, Col. Way: "Today's target has been demolished; tomorrow's target — Japan!"

Preparing for service in a branch of naval aviation, Raymond L. Bailey of 60 Los Olivos avenue, Daly City, whose parents Mr. and Mrs. A. Ehmpke live at that address, has completed his training at the U. S. Naval Air Training Technical Center, Norman, Oklahoma.

He is now slated to be transferred to a naval unit afloat or to another shore station for further instruction and work. Upon successful completion of his training, he may be eligible to apply for duty as an aircrewman and so will be entitled to wear the silver wings of that service.

Enjoying a well deserved 60-day furlough is Private First Class John C. Kollmann, son of Mr. and Mrs. John J. Kollmann, 162 Parkview avenue. He was recently awarded the Bronze Star Medal for "heroic achievement in action against an armed enemy at an undisclosed destination." He was taken captive on April 2 by the enemy, and when recaptured he had contracted diptheria and was suffering from malnutrition. (You should see him now, he looks better than ever!)

John, otherwise and better known as Clayton, had been overseas approximately a year when he was returned to the states June 11, and arrived home July 17.

Private First Class Kollmann is entitled to wear the infantryman's combat badge, purple heart ribbon, ETO ribbon, and three battle stars.

Technical Sergeant Albert A. Silicani, son of Mr. and Mrs. A. Silicani, 175 Werner avenue, arrived home last week to spend a 30-day furlough.

Sergeant Silicani, who wears four bronze stars, saw two years of overseas duty in the European area.

At the expiration of his furlough he will report back to Camp Beale and from there to Florida.

Albert, or "Midge" as everyone knows him, was formerly employed at the Anchor Drug store, Mission and Market streets, prior to entering the service. He is a graduate of Jefferson High school, class of '36.

His sister Florence resides at the same address.

Sergeant Lawrence Nannini, son of Mr. and Mrs. Pete Nannini, Colma, has been enjoying a 60-day furlough.

He arrived home June 14 and will leave August 12 to report to the redistribution center in Santa Barbara.

Sergeant Nannini spent six months overseas during which time he was reported missing, but later found to be a prisoner of war. He was held captive for 14 days and recaptured by what he called "Angels of Heaven," namely the "good old American Yanks."

He is a graduate of Jefferson Union High school.

T/5 Jonathan H. Cosbie jr., arrived home Saturday, July 21 for a 30-day furlough from service in the European theatre with the 87th Infantry division in a Combat Quartermaster company somewhere in Germany.

Cosbie is the son of Mr. and Mrs. J. H. Cosbie sr., 510 Bellevue avenue. His wife resides in San Francisco.

During his overseas duty T/5 Cosbie participated in three major battles and also took part in the great offensive of the Battle of the Belgium Bulge.

He is a graduate of Jefferson Union High school, class of '39.

San Francisco, July 25, 1945—Richard H. Pellicci of Colma, recently received a promotion advancing him to Technician 5th Grade at headquarters of the San Francisco Port of Embarkation. He is on duty aboard a troopship operating out of the San Francisco port.

T/5 Pellicci is the son of Mr. and Mrs. Albert J. Pellicci and husband of Mrs. Richard Pellicci, all of whom make their home at C street and Mission in Colma. Prior to entering the Army in 1943 he was an electric arc welder at Moore Dry Dock company in Oakland.

First Lieutenant Jess W. (Bill) Crowder, son of Mr. and Mrs. J. S. Crowder, 256 North Parkview avenue, has returned from the Pacific theatre of war after completing 30 successful bombing and incendiary missions on the home islands of Japan.

He is a B-29 pilot and served with the 21st Bomber Command based in the Marianas and was among the first group of men and planes on the first raids over Tokyo.

Lieutenant Crowder is entitled to wear the air medal and five oak leaf clusters, two bronze stars and the distinguished flying cross for going over the target on two and one half engines and completing a successful mission. The group has received the Presidential citation for the good work accomplished on their raids over Japan.

At present Crowder is visiting his wife's parents in Auburn, Washington. The young couple intend to return to Daly City and spend the remainder of his 30-day furlough visiting with friends and relatives here.

He will go to Santa Monica for reassignment at the expiration of his furlough.

Pioneer Resident Dies Following A Heart Attack

Summoned to the entrance of Serbian cemetery on Hillside boulevard by a phone call at 12:35 p. m., Wednesday, July 18, Sergeant Ricco Benedetti and Officer Dean Wood of the local police department found that Luigi Masini, residing at 698 Hillside boulevard had suffered a stroke occasioned by a heart attack.

The officers removed Masini to Alemany hospital. Later transferred to a private hospital, he passed away Saturday, July 21. He had been a resident of this community for 35 years, and is survived by his wife, Margaret, and three sons, Ray, Antone and Louis.

Funeral services under the direction of Valente, Marini, Perata and Co., 4840 Mission street, San Francisco were held Monday, July 23 at Holy Angels church in Colma, where a requiem high mass for the repose of his soul was celebrated. Interment was in Holy Cross cemetery.

"There's a lot of mileage left in your car if you're careful"

New cars will be scarce when they do come out. What's more, the government will ration the first production of new cars to essential users.

So don't take chances with the car you're now driving. It may have to last you a long time yet.

There's probably plenty of mileage left in your car if you're careful of it.

Have your car checked up frequently by expert mechanics. That helps stop trouble before it gets serious. Our Studebaker More Mileage Service is real insurance of continued transportation.

How to make Salads that make meals

A savory salad can make the day and the meal in this July weather. You might use a mouth-watering tender chicken base; or perhaps a bowl of rich fruit drenched with a piquant dressing is the palate-teaser you're looking for. Add hot rolls or sandwiches to any of these, maybe fruit cobbler or gingerbread for dessert, a beverage—and presto! you have a meal.

SALAD PLATE

Attractively arrange mound or mold of chicken, meat or fish salad on lettuce or spinach leaves in center of plate. Surround with lettuce cups in which are placed half-peeled tomatoes topped with cucumber dressing (1 cup mayonnaise and 6 tablespoons shredded cucumber) stuffed eggs and ripe olives.

LUNCHEON SUMMER FRUIT SALAD

Toss together in salad bowl, 3 cups shredded lettuce or greens, 2 cups sliced fresh peaches, 1 cup seedless grapes, ½ cup sliced celery and 1½ cups shredded cheese with ½ cup mayonnaise or salad dressing and French dressing to taste. Garnish with lettuce, fresh berries and peanuts. Serves 6.

PICNIC CLUB SALAD

Toss together 3 cups cooked macaroni, 1½ cups sliced frankfurters or diced luncheon meat, ½ cup sliced radishes, 3 tablespoons sliced green onion, ½ cup sliced olives, 4 tablespoons French Dressing and ½ to ¾ cup mayonnaise. Season with salt and pepper. Garnish with tomato wedges and parsley. Serves 6.

Doubleheader Is Slated For Fans Sunday, July 29

Local baseball fans are assured of two top baseball games at Marchbanks park this Sunday when Paul's Fountain and Federal Outfitting Co., square off in a Summer League second half tilt at 12 noon, and Longshoremen cross bats with the powerful Hurley Marine nine of Alameda at 2:30.

Paul's and Federals won their opening second half games last Sunday, the former, with Cookie Pera on the mound taking a 1 to 0 decision from Grosso Musics, and the Outfitters swamping Regal Pales 15 to 4.

The veteran Pera seems to have regained the old time form that in the past made one of the Bay Region's outstanding pitchers, as last week he set Grosso batters down with four well scattered hits. In addition he scored his team's only run, getting one of the five hits his team made off Fred Scolari.

The Paul's Fountain management have added several other new players in addition to Pera, to that team's roster, and promises to be one of the second half title contenders.

Meanwhile, Manager George Herold of the Outfitters will depend on practically the same crew that finished in a tie for second place in the first half standing. Clyde Amaral will oppose Pera on the mound, with Bob Day behind the plate.

The Hurley Marines(not to be confused with Don McShane's San Francisco Marines) nevertheless have one of the top-notch clubs of the East Bay region. They wound up with the championship of the Alameda Winter League last winter, and last Sunday turned back the Cincinnati Rookies 3 to 2.

Manager Harry Maloney of the Longshoremen will depend on about the same lineup as usual. However he has signed Ray Stagnaro, veteran San Francisco right hander and he will work on the mound Sunday.

Nurse Shortage Causes Crisis In Many Hospitals

Shortage of nurses in Peninsula hospitals has become acute, managers of Palo Alto, San Mateo Community and Mills Memorial hospitals reported this week, and may result in each of these hospitals having to close down some of their beds in the near future, if it is not eased.

James Philip, manager of the Palo Alto hospital said that hospital is very close to shutting down part of its beds unless more nurses become available.

"We don't know where the nurses are," Philip said, "but we know a great number of them in this area are not working. You can't force nurses to work and few special duty nurses will do general duty where they are most desperately needed. We couldn't get along without volunteer nurses aides now, and more volunteers are desperately needed."

Business Manager Wilbur L. Krell of Mills Memorial hospital said nurses are going into private industries where salaries are actually war wages. He said many industries are employing more nurses than they actually need. Heavy draft of nurses for armed forces, use of a large number in private doctors' offices and home and financial conditions which make it unnecessary for nurses to work, are other causes of the present shortage according to Krell.

Miss Mabel C. Wilson, director of nursing at Community hospital said, "We're hard put to it to keep going, but we're struggling along." Miss Wilson said that hospital could use more nurses, but reported the present shortage was not "too bad."

"AIR LINE HAS OPENINGS FOR WAR VETERANS"

Applications by honorably discharged men given special attention by airline.

Men who are leaving the Army, Navy, and Marines are establishing themselves in permanent positions with United Air Lines. The airline reports that many more positions are available and veterans are being given every consideration.

Veterans with mechanical or technical experience are particularly needed. However, there are other departments at United where openings are available.

Among the jobs which veterans are now doing and for which more openings exist are station agents, cargo handlers, ticket agents, reservations agents, supply men, and various types of mechanical jobs including sheet metal, radio-electric, instrument service, and line service.

These positions are not only essential to this war industry but offer permanence and opportunities for advancement in the expansion of air transportation after the war.

Employee benefits at United include free home study course, free group insurance, a retirement plan, vacations with pay, half fare air travel, and periodic wage review.

For further information about these positions apply in person at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Ave., or 421 Powell St., San Francisco.

Air Station Takes 5 to 2 Win From The Surf Riders

Two big innings gave the Alameda Naval Air Station baseball team a 5 to 2 victory over the Coast Guard Surf Riders in a 12th Naval District American League game at Marchbanks park Tuesday afternoon.

"Si" Johnson, veteran ex-National league pitcher worked on the mound for the winners, keeping 10 hits well scattered, striking out six batters and issuing only one walk. "Si" was aided materially by two fast double plays by his infield.

Jack Burke, Surf Rider hurler, was touched for 11 hits, by the Navy lads who bunched most of their blows in two innings. Torncello's single, Dick Welker's double, an outfield fly by Bill Rigney and an infield out scored two runs in the first inning.

In the fifth, the Alamedans bunched five hits which included a two run, home run drive atop the right field embankment by Welker for their other three runs.

Burns' single and McDonald's double scored the first Surf Rider marker in the fifth and a base on balls, Rigney's error and Mike Samaduroff's blooper single into right field accounted for the other in the eighth.

Lineups: Alameda Naval Air Station—Torncello, lf; Welker, cf; Rigney, ss; Barker, rf; McConnell, c; Frieburger, 1b; Evart, 3b; Konopsky, 2b; Johnson, p.

Surf Riders—Burns, 2b; McDonald, 1b; Cosbey, ss; Patterson, 3b; Gibb, c; Samaduroff, rf; Baptiste, lf; French, cf; Burke, p.

The Surf Riders will play the Coast Guard Pilots of South San Francisco at Marchbanks park, Friday afternoon, July 27, manager "Bing" Cosbey announced Tuesday. Tom Kipp will pitch for the Surf Riders.

Liquor Control Officers Make Local Arrests

State Board of Equalization officers fired the opening gun in a drive to break up the sale of intoxicating liquor to minors in this area shortly after 10 o'clock, Thursday night, July 19, when Officers Bozovich and Miller of that department arrested George Pavlos of 6286 Mission street, bartender at Central Club, and Mrs. Frances Rose Bollinger, 19 year old minor, of 106 Santa Cruz avenue.

Taken to the Daly City police station by arresting officers, Pavlos was charged with alleged violation of Section 61 of the Alcoholic Beverage Act (furnishing alcoholic beverages to minors) and Mrs. Bollinger with alleged violation of Section 61B (purchase of alcoholic beverage by minors). Pavlos was released on $100 bail and Mrs. Bollinger freed on $25 bail by Judge William J. Sweeney to appear at 2 p. m., Friday, July 27 for trial.

A. Sardi, owner of the establishment, has been cited by the State Board of Equalization to show cause why his license should not be suspended or revoked.

Meanwhile the state board of equalization last week announced that the license of Sam Castro, proprietor of Sam's Inn, 6267 Mission street, had been revoked. Castro was charged with the alleged possession of unlabeled distilled spirits.

Sea Bees Sting Longshoremen In 15 to 2 Sunday Win

Some 25 Longshoremen baseball players and rooters traveled to Camp Parks Sea Bee camp some ten miles east of Castro Valley, and returned Sunday night with nothing but praise for the splendid hospitality of the officials and men of the camp.

Transported to and from the camp by a bus furnished by camp officials, the visitors were treated to two swell meals in the camp cafeteria; meals that included chicken, watermelon, ice cream and cake, and also many other items that would make any person's mouth water in these days of scarcities and more scarcities. In addition the local visitors were accorded all other possible courtesies by camp officials and personnel.

The Longshoremen went there to play the Camp Parks Sea Bees, but found Gene McIsaacs' club entirely too strong for them. The Sea Bees started off by scoring two runs in the first inning, and aided materially by Longshoremen fielders, who couldn't adjust themselves to the change from the grassy pastures at Marchbanks park to the glaring, dusty, "skinned" park at the camp, scored in every inning but one for a 15 to 2 decision.

While home team players were hitting the offerings of Jack Rial and "Lefty" Fieber to all corners of the lot, Longshoremen batters were baffled by the mound antics of Priesler, a big right hand hurler for Camp Parks. Twice Priesler walked the tailend of the Longshoremen batting order to fill the bases, only to strike out the next three batters who were, supposedly, the heavy part of the order.

In the first six innings, he allowed one hit, a hot smash to the box by Fieber. In the seventh, singles by Joe Galarza, Harry Maloney and Eddie Rose gave the Longshoremen their first run. In the eighth, the San Francisco nine got their second run off Watson, who replaced Priesler on the mound, when Frank Guglimetti walked, Fieber doubled and the former scored on an infield out.

The Longshoremen will return to home and greener gardens, this Sunday, when they play at Marchbanks park. Opponents will be announced in another story in this week's Record.

County Jail Passes Inspection

The San Mateo County jail was recently given a "clean bill" by Director Richard A. McGee of the state board of corrections in a communication to Sheriff James J. McGrath. The report came as the result of an inspection by Bert O. Webb of the state department in May. At that time Webb commented very favorably on cleanly conditions at the jail.

Coast Guard to Celebrate Its 155th Birthday August 4

The United States Coast Guard, oldest commissioned service in the nation, will celebrate its 155th birthday on August 4 in a way the Japs won't like.

Out in the far Pacific invasion fronts Coast Guardsmen will commemorate the occasion with renewed blows at the enemy.

Their major assignments on the European front finished, they will mark another year of putting their fighting surfman's skill into difficult amphibious landing operations against the Japanese; manning troops, assault and supply ships; performing escort and convoy duties. Withal, they're not neglecting their traditional peacetime activities of protecting life and property on the seacoasts and waterways, or their vital wartime assignment on Port Security.

To be sure, there will be speeches throughout the nation by a grateful people. And there will be a glow of pride by Coast Guardsmen from here to Okinawa. But there will be no pause in the main job.

Today, the 170,000 men and women wearing the Coast Guard shield on their right forearm have earned commendations from government, state and municipal officials.

While performing vital Port Security duties on the home front—vastly increased with San Francisco Bay now the main funnel for shipment of men, munitions and supplies to Pacific fighting fronts—the Coast Guard is continuing to write a brilliant chapter in combat zones.

In every major invasion since the sneak Jap attack on December 7, 1941—be it North Africa, Sicily, Salerno, Normandy, Guadalcanal, Tarawa, Leyte, Iwo Jima or Okinawa — fighting men with "USCG" emblazoned across their steel helmets have manned tiny landing craft darting from giant transports to enemy shores.

With a minimum of fanfare, the Coast Guard has performed its important war-time services. Few know that this was the first American service to take German prisoners in this war; that a Coast Guardsman, helping in the rescue of Marines trapped behind enemy lines at Guadalcanal, won the Congressional Medal of Honor posthumously; that a Coast Guardsman was responsible for the capture of the saboteurs who landed on Long Island from a Nazi submarine; that a Coast Guard "Splinter Fleet"—made up of small 83-footers originally designed for inshore patrol—rescued more than 800 survivors of ships blasted by enemy fire at Normandy.

To help in Port Security activities, thousands of patriotic Americans answered the call and enlisted in the Coast Guard Auxiliary and the Temporary Reserve, performing tasks formerly done by regular Coast Guardsmen, releasing these men for combat duty at sea. Ten thousand women donned the silver shield as members of the Coast Guard Spars.

The Coast Guard is truly living up to its name, "Semper Paratus, Always Ready."

U. S. Marines Take Measure of Prison Nine at San Quentin

Last week, Corporal Ronnie De La Hunt, ace southpaw of the San Francisco U. S. Marines mound corps was promoted to sergeant. Sunday at San Quentin, he celebrated by holding the prison batters to one hit in five innings, while he secured two hits in three times at bat for himself. The Marines won the game, 3 to 0, scoring two runs in the first inning, and one in the third. Sergeant Mike Duplinsky replaced De La Hunt on the mound in the sixth, and permitted one hit and no runs in the last four innings.

De La Hunt struck out six batters in the five innings he worked, while Duplinsky let his fielders do the work, contenting himself by forcing the prison batters to roll easy grounders to the infield or to hit pop flies.

Commuter Service To be Offered at County Airport

Mills Field, the San Francisco airport in San Mateo county will hum with activity in the near future, may even become too crowded, if recent recommendations of a Civil Aeronautics Board examiner are approved by that board.

In addition to recommending that United Air Lines be permitted to operate between San Francisco, Los Angeles and Honolulu as reported in last week's Record, the CAB examiner made the following recommendations last week:

(1). American Airlines be authorized to operate between Mills Field, Oakland and Los Angeles.

(2). Southwest Airways be permitted to serve numerous California, Western Oregon and Western Washington cities from this field.

(3). United Air Lines be granted additional routes to California and Oregon cities.

Probability is that American Airlines and United Air Lines will operate through service between larger cities of the Pacific Coast area, but Southwest Airways plans call for an air route serving most of the smaller cities of California between San Francisco and Los Angeles.

Southwest Airways plans propose for operation of 14 passenger, two-engined Lockheed Saturns carrying passengers, mail and property and slated for stops in Redwood City, Palo Alto, Mountain View, Santa Clara, San Jose, Los Gatos, Santa Cruz, Watsonville, Gilroy, Hollister, Salinas, Monterey, Gonzales, King City, Paso Robles, Atascadero, San Luis Obispo, Santa Maria, Lompoc, Santa Barbara, Ventura, Oxnard, Santa Paula and Fillmore on the San Francisco-Los Angeles route.

Airport officials believe this pick-up service for smaller California cities to be the forerunner of similar service on a network of feeder lines serving all parts of the United States in the early post-war period.

Mr. and Mrs. Werle Win Special Award At Fuchsia Show

Mr. and Mrs. Henry Werle, proprietors of the Bungalow Nursery, Colma, were recipients of a special award ribbon for their fuchsia exhibit at the San Francisco Fuchsia Society two-day show held at 1000 Van Ness avenue, Saturday and Sunday, July 14 and 15.

The Werles are anticipating the San Francisco Flower show to be held at the City hall on August 29 and 30 at which time they will have fuchsia and tuberous begonia displays.

Calumet Council Hold Meeting

The regular meeting of Calumet Council No. 66, Degree of Pocahontas was held Tuesday evening, July 24 at the Swedish-American hall, 2174 Market street.

After business was dispensed with District Deputy Hazel Shirman proceeded with "raising of the chief." The past great chiefs helping were past great pocahontas, Beth Wohlfardt and husband Andy; great keeper of records, Johanna Raleigh; grand first trustee, Mary Hamilton; deputy great pocahontas, Linda Gross; deputy great pocahontas, Eva Hartig; deputy great pocahontas, Marie Green.

Incoming pocahontas, Ann Engenlath was presented with a beautiful bouquet of chrysanthemums which she carried while being escorted to her station.

Florence Howatt, past great pocahontas, sang the beautiful song "At Dawning." The escort team was dressed in pastel evening dresses and made a very pretty picture in their drill exhibition.

Refreshments were served following the ceremonies.

Grand Jury

(Continued from Page 1)

jury and the public to be "realistic" and "fair" about the matter.

This statement, especially the part about "playing politics" ired the jury members, and in a stormy one-hour session, they are reported to have told McGrath, "It's your job to enforce the law, and if you are interested in doing your job properly, you'd enforce it."

Upon hearing of McGrath's statement, Superior Court Judge A. R. Cotton, who impanelled the jury declared, "There is nothing political about the 1945 grand jury."

Declaring that virtually all law enforcement agencies in the county are under fire, and none of them can be depended upon to perform "the required detective work," jury members this week indicated they would ask appointment of special investigators in one of three ways:

(1). By requesting Attorney General Robert Kenny to provide some skilled investigators at no expense to the county;

(2). Asking District Attorney Gilbert Ferrell to make available his special fund so investigators from outside the county could be secretly secured; or

(3). Petition the Board of Supervisors to appropriate an adequate amount to hire detectives.

Meanwhile members of the Citizen's Service League of the Ravenswood district of East Palo at a mass meeting last week, instructed their officers to cooperate with the grand jury by submitting evidence of gambling houses found to be operating in that district, also to submit a report of speeding which has become prevalent in recent weeks in that area.

The Redwood City Ministerial association's investigation of gambling in that area has also quietly swung into high gear recently, it has been learned, and that association met Tuesday to prepare a public statement on gambling, juvenile delinquency and law enforcement, and to consider how it could best aid the jury's investigation.

Important developments of the week were foreman Glen O. Smallcomb's announcement that the committee was "getting results" and refusal of the Redwood City Ministerial Association to take any position concerning the probe at a meeting of that body Tuesday.

In an announcement to the press Tuesday afternoon, Smallcomb said, "The jury, especially those committees investigating reports of gambling and vice, is hard at work and getting results."

Refusal of Redwood City ministers to take any definite action at their Tuesday meeting was announced by Rev. Ralph Benson, chairman, who said, "Information available to us so far does not justify our taking a stand."

Meanwhile jury members were debating best procedure to follow in securing a special investigator. One member suggested public spirited citizens contribute to a fund for such purpose.

Sheriff James J. McGrath Tuesday repeated his prior assertions that politics was mixed up in the investigation by stating, "I definitely know one member of the jury is politically motivated."

Carpenter Tools Reported Stolen

Responding to a telephone call from the superintendent of the Stoneson Bros. project at 7:30 a. m., Thursday, July 19, Officers Roland Petrocchi and Dean Wood were told that a tool box, containing a set of carpenter's tools had disappeared from where they had been left the night before.

The tools belonged to Nilo Katja of 119 Los Banos avenue, who said they were valued at $100. He said the tools were stamped with the letters N. K. and were left in a building at the project.

COUNCIL

(Continued from Page 1)

and Garden lane, July 9, and was now in use, was ordered filed.

Councilman Craig suggested City Clerk Ross inform the San Mateo county tax collector that bids of $195 for lots 5, 6 and 7, block 38, Crocker tract, and $200 for lot 5, block 4, Metropolis Homestead association tract were satisfactory to council, and were accepted. Council unanimously adopted the suggestion.

Council Dennis reported he had contacted Daly City Scavenger Co. regards to recent complaints concerning that company's service and they had promised him they would do better in the future. He also reported Health Officer Fred Collins and Building Inspector A. J. Bodien had been working on the rat problem in the city. Bodien said plenty of rat poison had been placed in their favorite haunts.

Craig then reported City Attorney Hoffmann would rule on a method of paying city firemen at a special meeting, after the regular council session, and the councilmen would then study his ruling. An original appropriation of $6000 for this purpose has been exhausted.

City claims were read and ordered paid by a unanimous vote.

George Kirchhubel addressed council asking that present grandstand at Marchbanks park be extended across back of the backstop and down the first base side of the field as far as the dugout. Mayor Gaggero informed him such an improvement had been considered and adopted by council, but work was now held up because of inability to secure necessary materials. Kirchhubel was assured this improvement would be made at the earliest possible moment.

Minutes of Board of Equalization meetings of July 9 and 18 were read and approved.

Kirchhubel again took the floor to ask City Clerk Ross about publishing a financial statement of the city, and was informed by Ross that he would publish the same statement he files with the state as early as possible in the near future.

Council adjourned at 9 p. m.

V. F. W. Auxiliary to Meet Friday, July 27

The regular meeting of Old Glory Auxiliary No. 2044, VFW will be held Friday, July 27 at Masonic temple, 17 Hillcrest drive. Mrs. Hattie Bellando, chaplain, urges all members and officers to attend.

Ernest Barsi Commits Suicide Monday Morning

Ernest Barsi, 53 year old resident of 79 Werner avenue, was found dead in the back yard of that address shortly after 11 a. m., Monday, July 23, by Sergeant Ricco Benedetti and Officer James Welsh of the local police department and his son, Nello Barsi. From all indications the man was a suicide, a German type revolver being found beside the body.

Benedetti and Welsh summoned the local ambulance and Officer Dean Wood removed the body to the South San Francisco hospital.

Nello Barsi told the officers his father had been in Community hospital in San Mateo for the past two years. Summoned home from his employment at the South San Francisco chemical plant by a phone call from his wife, Rose, that she had just received a phone message from Dr. Warren of the Community hospital, Nello said he rushed home. Just as he arrived he saw his father walk to the yard, and heard the shot. Hurrying to the scene, he saw his father's body lying there, with the gun beside it. He then ran across the street to the Villa Sanitarium to secure a doctor. One of the nurses at the Sanitarium called the police.

A girl living nearby told the officers she saw the senior Barsi enter the house shortly before 11 o'clock, by placing a garbage can in front of a basement window, then climbing through the window. Police believe he then went upstairs, obtained the gun from a bureau drawer in a bedroom, came back downstairs to the side yard and shot himself.

In addition to the son, Nello, Barsi leaves his widow, Mary, a brother Peter Barsi, superintendent at Cypress Lawn cemetery, a sister, Mrs. Linda Giannecchini, and two grand-children, Richard and Jean Barsi.

Funeral services were conducted Thursday, July 26, at 10 a. m. from the mortuary of Valente, Marini, Perata and Co., 4840 Mission street, San Francisco, with interment at Cypress Lawn cemetery.

Derrick Family Moves to Arizona

Mr. and Mrs. Irven G. Derrick, of 47 Risel avenue, and their children Paul, Joan, and Sylvia wish to say goodbye to all their friends in Daly City. Reason for the sudden departure is that Mr. Derrick has received a promotion to traffic bureau chief of the Associated Press and is being transferred to Phoenix, Arizona. The family left Tuesday, July 24.

Mrs. Derrick was an active member of General Pershing PTA.

Auxiliary Members Attend District Meet

Mrs. Les Hanson, president; Mrs. Julia Jordan, president-elect; Mrs. Vivian Pahlka, Mrs. Kathleen Matzek, and Mrs. Katherine Foreman, members of Daly City Unit No. 410, American Legion auxiliary attended the district meeting and pre-convention caucus held at the Burlingame Legion hall Saturday, July 22.

A picnic lunch was enjoyed by all county units attending the meeting.

Home Appliances are Gradually Coming Back

Have you been nursing your old appliances? Or have you been doing without a needed mechanical work-saver, patiently waiting and hoping...? You won't have to wait too long now. Home appliances are gradually coming back. If you desperately need some certain home appliance now or you plan to buy some new appliance next year, it would be wise to see your local appliance dealer. Drop in from time to time and see what he has. Tell him your wants and perhaps he can put you on his future list. And in the meantime, keep buying War Bonds and hold on to them.

World War II Vets To Be Trained In Skilled Trades

Five Bay area naval establishments, Mare Island Navy Yard, Terminal Island and Hunter's Point naval drydocks, Alameda Naval Air Station and Oakland Naval Supply Depot, have been recently certified to train veterans of World War II in skilled trades.

In line with an agreement signed by the Navy Department and Veterans' Administration, veterans receiving this training will receive regular wages in addition to allowances for dependents.

Rear Admral F. G. Crisp, director of the Navy's division of shore establishments and civilian personnel said, "Through this agreement, it is hoped that a very real and worthwhile opportunity will be given all veterans to establish themselves in skilled trades.

"This program is to be a continuing and developing one which we feel will be a great help to the veteran."

Tax Association Makes Report On S. M. County Taxes

The gross property tax requirement of San Mateo county government for 1944-45 totaled $1,490,146, with an additional $1,482,711 coming from surplus, subventions, and nontax revenues, to finance the county's gross expenditure program of $2,972,847 for 1944-45, California Taxpayers' association said today, surveying the local budget and tax situation in California counties.

The general county property tax rate for 1944-45 was $1.485 per $100 of assessed valuation, with each cent of the tax rate meaning a levy of about $14,075.

Any increase in the 1945-46 spending program, for which the county budget is now being prepared, will be reflected in the amount of property tax which will be levied, the association pointed out.

Most property owners pay local taxes for county, city, school, and special district governments. In weighing local budget proposals for 1945-46, the association recommended that citizens should keep in mind the following five factors for each local jurisdiction:

1. The governmental unit's spending program.
2. State and federal aids and subventions.
3. The local property tax demand.
4. Assessed valuation of property.
5. Local property tax rates, both for the specific unit of government and for all the overlapping local subdivisions.

"The most effective way to reduce the tax bill is by holding the first factor, the local government's spending program, to the lowest level consistent with good and efficient government," the association declared.

Warns Builders of Supply Shortages On Western Coast

Prominent San Mateo county lumbermen and real estate men recently went on record advising all prospective builders to hold off starting new construction until they have secured all material necessary to complete the job.

These men flatly said supply conditions in the retail lumber industry, not only in San Mateo county, but all over the Pacific Coast are now the worst in history.

J. B. McKeon, secretary of the Peninsula Lumberman's club said, "The highest priorities for general construction and home building will not produce materials that are still in the tree and in the ground, although the federal housing agencies continue to issue building permits.

"Lumber mills are down, logs are scarce, manpower is lacking, absenteeism in the mills is widely prevalent and the condition in the woods creates short shift operations owing to fire hazard and high winds.

"Plus all this, the army and navy have first priority on lumber and and are taking an enormous amount."

Harry H. Weiner, Redwood City building contractor backed up McKeon's statement strongly, and said the situation is far worse than most people realize.

Another Redwood City contractor, H. V. Cowan said, "The difficulty of getting lumber and other building supplies makes it almost impossible to keep operating. With the armed forces taking huge quantities of lumber, the situation has almost forced private contracting to a standstill."

These men cited an instance recently in Portland, Oregon, when the Central Procuring Office attempted to place an order for 480,000,000 feet of lumber, mostly 2x4s and boards and succeeded in securing 62,000,000 feet.

Although Stoneson Bros. have so far been successful in going ahead with their Edgewood Terrace project about as planned, another local project, that of Henry Doelger, west of Junipero Serra boulevard, has been held up for several months because of inability to secure needed materials.

Smallest U. S. Sect

The smallest American sect is the Society of Primitive Friends, a Quaker group created in 1861. It has one church at Woodbourne, Pa., and 11 members.

Mr. and Mrs. S. Clarke Moving To S. F. Soon

Mr. and Mrs. Sidney Clarke, 352 Hillside boulevard, asked a few neighbors over for a get-together Sunday evening, July 22, before the Clarkes move to San Francisco.

The Clarkes were surprised when the neighbors presented them with a cake and gifts.

Those present for the "get together" were Mr. and Mrs. Walter Rentsch, Mr. and Mrs. Henry Adami, Mr. and Mrs. Milo Krueger, Mr. and Mrs. Ray Bjorge, Mr. and Mrs. R. Schultheis, Miss Frances Wilson and fiance, Elmer Carlsen.

"OFF THE BLOTTER"

In addition to the unusually large amount of burglaries, auto accidents, lost children etc, reported in other columns of this week's Record, the local police department had also a large amount of petty details to iron out this week. But no flying pink rabbits, such as the police department of an Oklahoma city had to handle, for which they are thankful.

The old Collopy building at the Mission-Market-County street intersection again received the attention of police Thursday afternoon July 19 when Sergeant Ricco Benedetti phoned the station the side door of the building was open. Officers George Hopman and Dean Wood gave the building a thorough search, but found nothing else wrong and notified the owner, Miss Collopy of Burlingame the door was open.

At 7:45 a. m., Friday, July 20, Mrs. Denevi of 757 Hanover street complained of the bad condition of the sewer at 771 Hanover street. The police found the sewer stopped up, and sewerage running over the sidewalk, and that a Mexican family occupying the house had done nothing to remedy the condition, so notified the health department.

Tuesday, July 24, at 12:45, a. m., Mrs. Gelsi stopped officers Roland Petrocchi and August Benassini and said a sailor had demanded entrance to her liquor store at 6278 Mission street, and when she refused had broken one of the small panes of glass in the front door. Officers searched the neighborhood but found no one answering the description.

Thomas Thimis jr., of 7 Park avenue, reported that while he was swimming at Jefferson Union High School pool, someone had broken into his locker and taken his wallet and his A gasoline ration book.

Thursday, July 19, at 5:30 p. m. Eugene R. M. Cunninghom of the San Francisco Auto Court reported to Officer James Welsh he had lost his wallet. About 9:30, the same evening, bartender Griffith of the Marcioichi's Tavern reported to Officer Welsh he had found the wallet in the men's wash room at the tavern. Welsh returned the wallet to the owner.

At 7:50 p. m., July 19, William Bianchi of 809 Brunswick street reported the loss of his wallet containing his driver's license, A gas ration book and valuable papers, to the police.

Tuesday, July 24, at 10:37 a. m., Mrs. George Walton of 108 Knowles avenue, reported the loss of a number four ration book issued to George Chris Walton of that address.

Six Grass Fires Keep Firemen Busy During Week

Local firemen responded to a half dozen calls, all for grass fires during the past week.

One of the fires was a doubleheader. Responding to a call from box 631, at 5:05 p. m. Thursday, July 19, Companies one and six discovered two fires going, one at the corner of Bismark and Peter streets, the other at 6844 Mission street.

Friday, July 20, at 12:37 a. m., Mrs. Hayden of 126 Garden lane phoned the department there was a grass fire in the lot next her home. Local firemen contacted the Colma volunteer department, since the locale is outside the Daly City limits.

Another call from box 631 at 12:25 p. m., Sunday, July 22, called Companies one, two and six to extinguish a fire at Bismark street and Hillside boulevard.

Later Sunday afternoon, at 2:53, Companies one and two answered an alarm from box 31 pulled at the office following a phone call from Jack Wells in which he stated there was a grass fire at West Lake and Niantic streets that was getting close to houses and fences.

Companies one and two again rolled at 4:07 p. m. the same afternoon—this time to the 100 block of San Diego avenue, summoned by a call from box 19.

All the fires were extinguished in short order.

Boiling Cracked Eggs

A cracked egg can be boiled if it is rubbed with salt before putting it in the water as this will seal the crack.

Ambulance Makes Three Calls To Aid Sick Persons

Friday evening, July 20, at 7:10 p. m. the county ambulance in charge of Dean Wood and James Smith responded to a call from the New San Francisco Auto Court and removed Dillon B. Branch, 61 year old resident of Cabin 1 at that court, to Community hospital. Branch was suffering from peptic ulcers.

Wednesday, July 18, at 2:30 p. m., Mabel G. Swetzler of 768 San Diego avenue, was taken ill at the St. Vincent de Paul store, 6724 Mission street. Sergeant Ricco Benedetti and Officer Henry Sundermann jr. of the local police department removed her to her home, and left her in the care of Mrs. Jones of 6624 Mission street, who volunteered to stay with her until her husband came home from work.

Floyd F. Paulding of 658-A South Van Ness avenue, San Francisco, was taken to Alemany hospital by Sergeant Benedetti, Saturday afternoon, July 21, at 3:35 p. m. after becoming ill at 7335 Mission street.

New Arrivals

Congratulations go to the following couples for new arrivals in their families: Mr. and Mrs. Walter Blazina, 769-a Brunswick street, July 14, a daughter; Mr. and Mrs. Stanley A. Bolin, July 10, a daughter; Mr. and Mrs. Roland G. Giorgi, 35 Oliver street, July 12, a son; Mr. and Mrs. Jack Hartman, 925 Hanover street, July 18, a son; Mr. and Mrs. Joseph A. Piccardo, jr., 185 Moltke street, July 2, a daughter; Mr. and Mrs. Harold Shurgin, Colma, July 12, a son.

Court News

Largest sum paid by any violator up before city court Friday, July 20, was $25. This was the fine meted out to Virgil Erickson for speeding.

Five dollars was forfeited in in lieu of appearance by Alexander Brasyno, 443 Pine street, Napa, California on charges of being drunk in a public place.

Other payments included: $2.50 by John Boreni for passing left of a street car; $1.50 by Rowland Hunter for disregarding a signal; Vincent Marsili, parked in prohibited place, $2.50; R. Rome, disregarding a signal, $2.50; Peter Williams, parked in a prohibited place, $2.50.

The following each paid $1 for overnight parking: C. D. Cross, L. G. Ewald and Leon Wilford. William McGregor paid $2 for the same offense.

Jet-propelled Plane To Be At Mills Field

As a feature of local observance of the AAF's 38th birthday anniversary Wednesday, August 1, an 11 plane exhibit, open to the public, will be shown at Mills Field. The exhibit will feature the new P-59 jet-propelled "Airacomet." This plane is recognizable by lack of a propeller and engine roar and a trail of black smoke streaking from its two jet engines.

New Ration Books Slated For December

Public schools and other public buildings will be distribution points for Food Ration Book No. 5, slated to reach the public between December 3 and 15, OPA Price Administrator Chester Bowles announced Wednesday in Washington, D. C. The new ration book will be streamlined and considerably smaller than ones now in use, Bowles said.

Check Cabbage Worms

Cabbage worms and cabbage loopers must be checked immediately. Up until the cabbage heads are four inches through, use paris green, calcium arsenate, and cryolite. As your cabbage gets to eating size, change to a rotenone-bearing dust. Collards, brussels sprouts, cauliflower, broccoli, and kale should be protected with the same dusts and sprays.

West Portal Lions Guests of Local Club

Twenty-two members of the West Portal Lions' club were guests of the Daly City-Colma Lions' club at the weekly luncheon and meeting held at Estrada's Spanish kitchen, El Camino Real Wednesday, July 25.

Miss Barbara Mahan, vice-president of the San Francisco Progressive Speaker's club, was guest speaker. She gave a very interesting talk on "Parental Delinquency." Miss Mahan is a graduate of St. Paul's High school and intends to continue her schooling at University of California. She will major in domestic science.

MARINES WIN FINAL GAME

Shortstop Bob Tschida, second baseman Buddy Freese and left fielder Ed Russell starred as the San Francisco U. S. Marines won the final game of the 12th Naval District National League (Northl ern half) race from Mare Island Navy Yard 5 to 2 at Marchbanks park Wednesday afternoon.

Tschida batted in Freese with the Marine's first two runs, scored the eventual game winner himself as Russell shot a hot single over the field, when he pinchhit for Joe Couvillion in the fifth inning.

The Navy lads gave the Marines the best game of the league season. They rapped "Lefty" De La Hunt for four hits which included a triple by Rymer and a double by Medlar in the second inning for two runs.

Meanwhile "Lefty" Rebold kept Marine batters well under control for several innings, but the Leathernecks came through with the punch in the pinch in the fifth inning.

De La Hunt gave up eight hits, fanned eight batters and hit two. Rebold was touched for ten hits, fanned eight, and issued two walks.

Wednesday's victory finished their league schedule for the Marines with 14 victories in 15 games. They now will wait until Coast Guard Fliers of South San Francisco and Moffett Field determine the championship of the southern half of the league, after which the two champions will meet in a playoff for the league title. Full details of this playoff have not as yet been arranged.

Western Pipe Take Y. C. W. 8 to 2

Paced by Joe Anselmo jr., who crashed four hits in five times at bat, Western Pipe and Steel baseball players started the second half of the Baseball Managers' Summer League schedule by walloping Young Christian Workers 8 to 2 in the lone game played at Marchbanks park last Sunday.

Frank Newmans, first half champions, nosed out Shipfitters 3 to 1, a last inning safety by pinchhitter Ray Loebbing driving in the winning runs. "Cookie" Pera, well-known veteran moundsman returned to old-time form by limiting Grosso Music batters to four hits and scoring the winning run himself as Paul's Fountain took a 1 to 0 decision. Gordon Realty swamped Laundry Workers 13 to 4 and Federal Outfitters took a 15 to 4 decision from Regal Pales in other games.

Federal Outfitters and Paul's Fountain will play the 12 o'clock game at Marchbanks park this Sunday. Games at "Big Rec" diamonds are:

Number one—12:15 — Laundry Workers vs. Western Pipe and Steel; 2:30—Frank Newmans vs. Campi's Tavern.

Number two — 12:15 — Regal Pales vs. Grosso Musics; 2:30—Shipfitters vs. Gordon's Realty.

According to first half statistics recently issued by Secretary George Herold, Ted Coffey of Gordon's led the pitchers with eight wins in as many games. Gordon Realty was heaviest hitting team with an average of .340, and Federal Outfitting was second with .335.

George Brown of Newmans led individual batters with .548, followed by Bob Di Petro, Gordons, .500; Boyce, Gordons, .500 and Mangan of Newmans .462.

Now a Housewives Day

The feast day of St. Martha, patroness of housewives and cooks, could be included upon special days. It would fall on July 29.

Boy Scouts Hold Court Of Honor July 18 At Brisbane

The first open-air section Boy Scout Court of Honor for the suburban district of the eastern sectern, took place Wednesday evening, July 18 in a sheltered, thckly wooded, little canyon in Brisbane. Troop No. 134, with Scoutmaster Jack Crabovski, district neighborhood commissioner, Milton Jensen, and advancement chairman, Walter Delbourne were hosts.

Cubmaster Fred Smith with the aid of the troop and pack presented a most interesting skit portraying the Indian and his homeland; the method of his fire making, which resulted in a colorful bonfire that lighted up the stage in its natural setting; the coming of the missionaries, and the white man and his influence upon the indian; the Gold Rush and its effects; the Vigilantes, their punishments, etc—a most attractive program throughout, witnessed by an audience of approximately 200 persons including executive scouts and cubs, their parents and friends.

Troops represented were Sea Scout Ship No. 144 and Skipper Mel Battye; Scoutmaster Miller and some of his scouts; Troop 134 and cubmaster, Fred Schmidt; Troop 145, scoutmaster, L. R. Harkness; Troop 148, scoutmaster, Al Zwyssig.

Ray Hatch, representing scout headquarters, gave a very inspiring talk on scouting and advancement. Robert Sherman, chairman of Courts of Honor in the eastern section also spoke most interestingly on the subject of scouting.

Jack Cochrane of McLaren Park district distributed merit badges to the many scouts who had through their untiring efforts earned same. Robert E. Byrnes, neighborhood commissioner, represented the troops of Daly City.

District commissioner, Joseph A. Powers sr., welcomed the parents and friends and distributed star and life badges to scouts who had merited them.

Red Cross To Close Sewing Room In August

The Red Cross Sewing workroom will be closed during the month of August because most of the women intend to go away for vacations. Mrs. Mary Crane announced that the next meeting will be held Wednesday September 5.

SUMMONS

No. 38,924

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

In the Superior Court of the State of California, in and for the County of San Mateo.

MAUDE DIERKING, Plaintiff,
vs.
FRANK W. DIERKING,
Defendant.

The People of the State of California Send Greetings to:

FRANK W. DIERKING, Defendant. You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said County, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 23rd day of July, A. D., 1945.

(SEAL) W. H. AUGUSTUS, Clerk.
By ALMA PAGANINI, Deputy Clerk.

Going Fishing? Well, Here's the Latest Dope On 'Em!

Waters of the upper Truckee are clear and fly fishing is good, according to reports coming in from El Dorado county to the Outing department of the National Automobile club. Water is clear and fly fishing good in the South Fork of the American. The same conditions exist in Silver Creek, South Fork, Middle Fork and Big Silver. Deer seem to be numerous in this area.

Reports from Placer county state that streams in the higher country are flowing very well, and the flow should keep up this summer as there is a great deal of snow left at this time. Some nice catches of trout have been made in some of the higher lakes. Some small mountain quail are showing up in this district.

Lake fishing in Nevada county is poor, due to excessive hot weather, but steram fishing has been good and some good catches are being made in the North Yuba above Downieville, also the South Yuba above Spalding. Deer are numerous and in good condition.

Fishing at Chester in Plumas county is reported very good.

Limits in pounds are common at the head of Shasta Lake. These fish are taken mostly on single salmon eggs or orange flat fish lures. Lake Shasta is dropping about four inches per day.

Black bass are biting in Lake Britton and in Pit river above Pittville, reports from Shasta county say. Sportsmen say there will be many dry does in this area this year on account of coyotes being so numerous.

A run of steelhead was reported last week in the Trinity river from Lewiston down.

Streams in Napa county are very low and many are drying up. Quail seem to have had a good hatch. Deer are in good condition, many are coming into the valley.

Sonoma county deer hunters are anticipating good shooting on opening day.

Sun Strokes Repeated

A person who has suffered sun stroke is thereafter extra susceptible to heat.

Harrison W. Call Considering Try for Assembly Speaker Job

According to reports emanating from the southern part of the county, Harrison W. Call, of Redwood City, State Assemblyman for San Mateo county, is considering making a bid for speaker of the assembly at the next session.

He will be opposed by Assemblyman C. Don Field of Glendale, if the latter doesn't run for lieutenant-governor, the report says.

Indians Had Model Law

To curb visiting relatives who overstayed their welcome, the Paiute Indian tribe of Fort Bidwell had this law: "Visits from relatives or friends shall be permitted, but shall be limited to 14 days at one time, and shall not exceed 30 days in any one calendar year."

San Carlos Gets New Packing Plant

A new alcohol packing plant, employing about 15 men, and primarily engaged in packing an alcohol mixture similar to anti-freeze for the army and navy, will start operations in San Carlos in the near future.

Permit to operate such a plant was granted the Carlton Western Products Co. of San Francisco by San Carlos City Council last week, after two members of the council inspected the company's present plant in San Francisco.

The San Carlos plant will be located in the building now occupied by the California Concrete Products on the Old County road. This company will continue to operate on the premises for the next three months, occupying the building jointly with the new company.

Later on, the new company will make over 100 chemical items, including household chemicals and cosmetics, A. C. Carlton jr. one of the owners of the company said.

New P. O. Building For San Bruno

Last week the city of San Bruno became assured of a handsome Christmas gift in the form of a brand new $25,000 postoffice building, when Postmaster Louis Erbes received a telegram from Congressman Jack Anderson assuring him of the appropriation by the government.

The new building will have a 40-foot frontage in the 600 block of San Mateo avenue, and will be 100 feet in length with 4000 square feet of floor space. It will be erected by Dan Marelich and leased to the government. Work on the new building will start August 1, and is slated to be completed by December 1.

POLIO CASES ON INCREASES IN NEARBY COUNTIES

So far, Daly City and San Mateo county seems to have escaped the increase in polio cases which has sprung up in surrounding areas during the past few weeks.

Eleven new cases in San Francisco since June 1, were reported early this week by Dr. J. C. Geiger, public health director, making a total of 15 cases now under treatment in that city. Meanwhile 32 new cases have been reported since June 1 in nearby counties, 19 from Marin county, five from Contra Costa, three from Alameda, two from Solano and one each from Santa Clara and Siskiyou counties. In addition one case has been reported from service personnel under treatment at Letterman hospital. This makes a total of 36 cases now under treatment in northern California other than in San Francisco.

Of the new cases in San Francisco, two are adults, three are children 10 to 19 years of age, four are in the five to nine year old bracket, one is a child three years of age and one is an infant. Six of these cases are being treated at San Francisco hospital, the others at Children's hospital.
